Sponsor a Highway

Used for Interstate Routes
where safety of citizen groups
is a concern

Funding provided by private
businesses

No-cost to the state

Sponsor A Highway Annual Bag Count

Litter Program

Community group requests for one time pickup

A wide variety of groups volunteer to perform litter pickups; churches, rotary clubs, unions, city employees, schools, etc.

Recently, we've allowed groups to sign up online for these pickups

We have had 6 signups in the last 3 weeks ranging from 10 people to 125 people
